Monday 7th May 2019

During our Monday assembly, we looked at part of the Easter service. When Easter arrives, a big candle is lit with the alpha and the omega. The alpha symbolizes the start and the omega symbolizes the end.

What do you remember about the Easter service?

How did the Easter story effect you?

Have a great weekend

During our Wednesday assembly, we looked at two men who took Jesus' body and Mary went to the tomb and saw it opened. But Mary did not see Jesus's body. Mary told Simon and they rushed to the tomb and looked for the body. They could not see the body. Mary was then being visited by angels. When Mary stepped outside of the tomb she saw her son, Jesus.

How do you think Mary felt?

Head boy and Head girl reminder:

Have a good weekend!
