Re : Child Line Schools Service

I am writing to tell you about the Child Line Schools Service - a programme delivered by Child Line staff and volunteers to every Y5 and Y6 child in the UK.

They will be holding an assembly in our school and then class-based workshop one or two weeks later about keeping safe.

The Child Line School Service aims to give children:

- An understanding of abuse in all its forms, including bullying, and an ability to recognise the signs of abuse
- Knowledge of how to protect themselves from all forms of abuse
- An awareness of how to get help and sources of help, including Child Line.

The Child Line Schools Services have spoken with us and shared the content of the assembly and workshop. We are assured that both are appropriate for our children. All presentations will be delivered in a child-friendly way.

After taking part, children will be asked to give their feedback online with school staff present.

The Child Line Schools Service would also very much welcome your feedback. If you would like to share your thoughts, please go to www.nspcc.org.uk/parentsfeedback when your child has completed the programme.

If **I do** not hear from you, I will assume you are happy for your child(ren) to participate.

Yours sincerely,

Mrs. L. Pink,
Head Teacher.

If you **DO NOT** want your child(ren) to participate in the schools service programme, please complete and return the form below
